

The 10th international
Multidisciplinary Conference on
Optofluidics

MCO

WUHAN

12-15th June 2020

TECHNICAL TOPICS

Plasmonics, Metamaterials
and Metasurfaces

Optical Fibers and Fabrics

Optofluidics & Optical Devices

Lab on a chip

Droplets & Digital Microfluidics

Optical Microcavity

Silicon Photonics

2D Materials based Photonics

Energy & Environment

Microfluidics for Liquid Biopsy

Optical Trapping and Manipulations

Medical Science and Technology

Time: June 12-15th , 2020

HIGHLIGHTS

Abstract submission deadline

Mar. 31, 2020

Early bird registration deadline

Apr. 20, 2020
